Dear Colonel McMillen:

**LETTER OF REQUIREMENTS & REQUEST FOR COST ESTIMATE
DOE SPRING 2000 ENVIRONMENTAL & CHARACTERIZATION MISSION**

In accordance with provision 4.h. of our Memorandum of Understanding, listed below are DOE's requirements for USAKA's support of its Spring 2000 Environmental and Radiological Characterization Mission (No. 00-02) to Bikini and Rongelap. This letter also details the elements of the Operations Plan for the mission, which is being sent to you under separate cover.

The mission will carry out field activities at Bikini and Rongelap Atolls, and will commence at Kwajalein on April 28, 2000, and end there on May 17, 2000.

Indicated below are the known requirements for support of the environmental mission:

1. Billeting

8 (LLNL) staffers for a total of 2 days
3 (BN) staffers for a total of 4 days
3 (DOE) staffers for a total of 2 day
Billeting aboard LCU Great Bridge during runs to Bikini and Rongelap

2. Food Services

5 passengers x 3 meals for 2 days to Rongelap
6 passengers x 3 meals for 1 day Bikini to Kwajalein

3. Personnel

None required.

4. Transportation

Daily charter of the LCU-2021 for approximately 8 days IAW USAKA Rates Manual.

5. Equipment

Telescoping forklift 40 ft reach, all terrain with basket.

6. Other

- a. Loading/unloading of two (2) freezer vans on/from LCU 2021.
- b. Other stevedoring services to load/unload DOE equipment and triwalls.

The letter is also to request you to provide DOE with a cost estimate for the support described above by April 1, 2000.

If you have any other questions in regards to the mission, please contact me or the local DOE Coordinator, Stephan Notarianni at ext. 5-1899.

Sincerely yours,

William D. Jackson
